CUBANS CUT DOWN ON BUREACRATIC PAPER-WORK:
HAVANA, AUG 27, REUTER - THE CUBAN STATE COMMITTEE ON STATISTICS STRUCK A BLOW AGAINST EXCESSIVE BUREAUCRATIC PAPER-WORK BY ELIMINATING 640 STATISICAL FORMS THAT MANAGERIAL PERSONNEL WERE FORCED TO FILL OUT PERIODICALLY, GRANMA REPORTED TODAY.
IN HIS MAIN REPORT EARLIER THIS YEAR TO THE THIRD COMMUNIT PARTY CONGRESS, CUBAN PRESIDENT FIDEL CASTRO SAID THAT ENTERPRISES WERE INUNDATED BY PAPER-WORK AND THAT +STATISTICS CONTINUE BEING AN EXAGGERATED COLLECTION OF DATA OF DOUBTFUL UTILITY.+
ACCORDING TO GRANMA, 1772 FORMS WILL CONTINUE TO BE USED TO SEEK STATISTICAL INFORMATION FROM THE NATION'S STATE-RUN ENTERPRISES. IT CALLED THE PRESENT REDUCTION +A FIRST STEP.+
THE MEASURE IS PART OF A MAJOR CAMPAIGN BEGUN EARLIER THIS YEAR TO ELIMINATE BUREACRATIC PRACTICES IN THE SEARCH FOR GREATER EFFICIENCY.
