1210:laos:

havana, nov 9, reuter -- cuban president fidel castro and the president of laos, souphanouvong exchanged views on questions of bilateral relations and the international situation, granma reported today.

the laotian president arrived on what was described as a friend ship visit last saturday and is expected to remain here until november 15. souphanouvong heads a delegation which includes sithone sibounheuang, head of the cabinet of the laotian people's assembly and vietbahn souphanouvong, presidential secretary.

since its arrival the delegations has visited museums, hisotirc sites, schools, farms and the +pioneer+ palace.
