Group of 77 meet (Developing nations of Asia, Africa and Latin America) Met in Havana and launched final declaration to confront industrialized nations that will meet in Delhi

This is lionel martin in Havana...for saturday morning use.heres the service message.

The group of 77, ~~xxxxxx~~ which represents 119 underdeveloped nations.. all members of the United Nations end a five day conference here. here is the story:

The underdeveloped nations of Asia, Africa and Latin America that met here in Havana hammered out a final delcation that will be used to confront the industrized nations at a U.N. meeting in New Dehli India in January.

The main thrust of the final declaration was a call for increased aid from the industrialized nations and from the oia producing states. One of the figures mentioned was that of 300 billion dollars over the next decade.in the form of donations and low interest loans.

Third World nations

The ~~declatation~~ blamed the fall in value of the U.S. dollar for some of their troubles. ~~It~~ <sup>They</sup> said that the instablility of dollar plus ~~the~~ rising inflation in the industrialized nations from which they buy their finished ~~xxxxxx~~ and agricultural products, has wreaked havoc with the economies of the ~~xxxxxx~~ have not nations.

~~The~~ The multinational~~s~~ corporations also came in for criticism. Tje declabation said that private investment by the underdeveloped nations in their own capital should be controlled ~~xxxxxx~~ national interest.ofxx
