NOAL Summit Meeting to be held in Havana in September

62

The Cuban draft which will be considered by the heads of
 state ^{in the} non aligned conference here, follows, in general terms,
 the non aligned movements strong condemnations of imperialism and
 colonialism.

~~Text~~

One major focus of criticism is that ~~of~~ of the Israeli, Egyptian
 peace treaty ^{along with} U.S. policy in the ~~mid~~ mid east. ~~the~~ The
 draft demands that the United States ^{NATIONS} declare a mandatory
 international boycott on Israel and her exclusion from the
 international community. It also calls for military assistance
 for the Palestine Liberation Organization. ~~the~~
 the same vein, Egypt is ^{CRITICIZED} ~~attack~~ for deviating from the non-aligned
 movements policy on Palestine. ~~the~~

IN

The draft reaffirms the non aligned movements support
 of national liberation movements in Africa ~~and~~ and singles out
 for condemnation U.S, British and French policy on that continent.

~~Text~~

The draft demands independence for Porto Rico -- something
 other non aligned movements ^{MAJOR DECLARATIONS} have ~~already~~ done. ^{IN THE PAST}

The Cuban document which will be used as a basis for
 discussion by the heads of state calls on the non aligned
 nations to hold back, what it calls, ~~the~~ imperialisms attempt to
 to revive the cold war.

^{MAJOR CHANGE}
 Although ~~there~~ ^{MADE} will no doubt be
 major changes in the Cuban draft, it is certain that most of
 its recommendations will be approved by the non aligned summit
 meeting here. This is Lionel Martin in Havana for CBC Radio News
