this is lionel martin in havana/ for sunday use the service
central american
message: The cuban government blasted the/policy of the
reagan administration in an official note. here is the
story:

~~The Cuban government~~ ~~that~~ accused the united states
government of being largely responsible for the increased
tension and ~~the~~ military action in central america.

The note charged that the mining of Nicaraguan ports
by anti-Sandinista forces operating in Honduras and
back by the cia was clearly the work of the united states
government. It said the mining of ports requires up-to date
ships and techniques that only the united states can supply

It said that washingtons aggressive policy flies in the
face of world public opinion and called on the nations of
the world and especially of latin america to condemn the
united states. Cuba said that reagans policy ~~also~~ undermines
the work of the contadora group - mexico, colombia, venezuela
and panama, which have ^{HAS} been trying to find a peaceful solution
to the problems in central america. ~~The official note said~~
~~it believes that Nicaragua will find gain the support of~~
~~the non-aligned and other nations.~~
