

514 Hijackings to Havana last week
Had Happy Endings. According to Head of US
Interest Section

All of the hijackings to ~~from~~ Havana last week, all six of them invoing more than 600 passengers, had happy endings. According to John Tipton, head of the United States interest section here in Havana, ~~the reason for~~ one of the reasons for this had been the close cooperation between Cuban and United States authorities.
