

RB-387

Capital flight 236 ~~with~~ is on the ground here in  
havana and as far as can be learned <sup>239</sup> passengers  
are safe and sound. Cuban authorities as is customary  
are not saying anything. A diplomatic source said the  
passengers have been allowed to go into the terminal  
building to eat, drink and buy souvenirs. The hijacker,  
the ~~diplomatic~~ source said, was a black woman who

held a flare pistol to the head of a stewardess.  
She was immediately taken into ~~the~~ custody by Cuban security police. *when this plane landed here*  
The plane is being readied to fly back to Miami with  
the crew and passengers.
