CENTRO DE PRENSA

this is lionel martin in havana...the service message..cuban president fidel castro blasted u.s. policy in central america...here is the story.

the cuban president ~~blax~~ strongly attacked the us. naval buildup around central america and said ^{president reagan} ~~he~~ was trying to create a sense of hysteria. around the issue of nicaragua and el salvador. dr. castro said that any attempt by the united states to take nicaragua by force would be doomed to failure and ^{that} many of americas european allies reject u.s. policy in the region.

fidel castro called the six month long military manauvers to be stage¹ in central america a true deploement of u.s. forces in the area. He said that cuba is in favour of a negotiated political settlement for the central american problem and ~~xxx~~ ^{that} president reagan ^{is} ~~pushes~~ ^{was} for a military solution. He warned that the united states is moving toward a very serious and irresversible error.

for abc ~~xx~~ news this is lionel martin in santiago de cuba.
